Important reminders for collecting paper petition signatures:

- Canadian citizens and residents of Canada can sign, including Canadian citizens living abroad.
- No minimum age requirement.
- Original handwritten signatures only. Sign, don't just print your name.
- Each person must sign for themselves.
- Include address information identifying the signer's place of residence. Postal codes are strongly encouraged but not mandatory.
- The first sheet of the assembled petition must have at least 3 signatures with addresses. No minimum per additional sheet.
- Minimum 25 valid signatures in total.
- Every sheet must identify the petition's subject or request.
- Do not alter the PDF's petition wording or add graphics or commentary.
- Collect and return original signed sheets, not photocopies or scans.
